## Petar Atanackovic: Recommended readings

Petar Atana kovi from Novi Sad sent us a list of recommended readings on the theme of religion ...

### Recommended readings:

- Wilhelm Reich, Masovna psihologija fasizma - Massenpsychologie des faschismus
- Wilhelm Reich, Spolna revolucija - Die sexuelle revolution
- Karl Marx, Prilog jevrejskom pitanju - Zur Judenfrage
- Karl Marx, Prilog kritici Hegelove filozofije prava - Zur kritik der hegelschen Philosophie des Rechts (or something like that)
- Sigmund Freud, Buducnost jedne iluzije i drugi spisi o religiji &ndash; Future of an illusion and other essays about religion
- Erich Fromm, Bekstvo od slobode - Escape from Freedom

There is also:

- Ludvig Feuerbach, predavanja o sustini religije - Vorlesungen ueber das wesen der Religion
- Johann Most, Religijska kuga - Die Gottespest
- Esad Cemic, Socijalisticko drustvo i religija - Socialist society and religion

Some books connected with history of religion:

- Max Weber, Protestantska etika i duh kapitalizma - text from Writings about religion
- Jean Delumeau, nastanak i ucvrscenje reformacije - Naissance et affirmation de la Reforme
- Jean Delumeau, Katolicizam izmedju Lutera i Voltera &ndash; Catolicism between Luther and Voltaire

If there is need for some "advice" for potential readers of books, I can recommend Reich's books and Marx's "Zur Judenfrage", but I guess that most of people allready know some of this books and so ...
